Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

Can be able to alert the local body, i.e people, government and media.

Prioritize

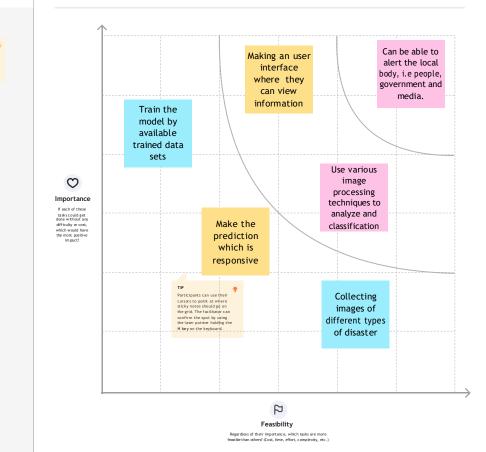

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

① 20 minutes

Add customizable tags to sticky notes to make it easier to find,

browse, organize, and categorize important ideas as

themes within your mural.

After vou collaborate

You can export the mural as an image or pdf to share with members of your company who might find it helpful.

Quick add-ons

0

Share the mural Share a view link to the mural with stakeholders to keep

them in the loop about the outcomes of the session. B Export the mural Export a copy of the mural as a PNG or PDF to attach to

emails, include in slides, or save in your drive.

Keep moving forward

Define the components of a new idea or strategy.
